This Is How, Children & Business Week, Lemonade Is Made S. V. To Vote

Mrs. William West poses with pretty Rosetta Moore to show that lemons, together with nice people, thrive in Lemon Grove.

"It simply isn't true."

That's what Mrs. William West, who with her husband owns twenty acres of citrus grove between Palm Street and Mt. Vernon in the 8400 block in Lemon Grove, said when she saw the story in BUSINESS WEEK dated this month.

The story told how the local Chamber of Commerce planned to have a free lemonade stand, and that no lemons could be found locally. The West orchard produces about 10,000 boxes of citrus fruit annually—so Mrs. West complained.

Just to prove the point, Mrs. West together with Rosetta Moore, also one of the Grove's attractive products, pose in front of one of the fourteen hundred trees making up the West orchard.

"Grove lemons are in such great demand," said Mrs. West, "that we can hardly get enough to make our own lemonade."

The story which started the controversy appeared on page 94 of BUSINESS WEEK and reads as follows.

"Disappearing Lemons"
Lemon Grove, Calif.: A few weeks ago the chamber of commerce of this San Diego suburb

Lions Hallowe'en Dance To Help Youngsters

Bob Von Weller, chairman of the Lions' Club Hallowe'en Dance committee, called on local service organizations this week to "help make it a joint project of all Lemon Grove service clubs" when his group holds its benefit dance, Saturday, October 31, at the El Morocco Club.

Little League Baseball activities and improved summer recreational facilities for public schools will benefit by the project, he said.

The dinner-dance, which starts at 8:00 with cocktails at 7:00, will be buffet style, he said. Dinner is being prepared by Henry Goldy of Michael's Cafe and the Lions are taking over the bar for the big event.

Prizes will be offered for best and most original costumes with penalties for those who wear none. Masks, however, will be acceptable as part costume. The Lionesses will decorate the club for the affair and the Melody Aces will supply the music.

Prizes have been set up for

Highway Comm. Starts Buying

Right on the button! State Highway Commission this week began the purchase of rights-of-way along the Lemon Grove freeway as promised. First purchase was made in Lemon Grove September 1.

September 18 And 19 To Be Grove "Dollar Value" Days

It will be Friday and Saturday, September 18 and 19, but it will feel like Christmas when Lemon Grove homemakers take part in Lemon Grove's biggest shopping bargain weekend in the history of the community when business firms unfold Lemon Grove Dollar Value Days on those dates.

Every business firm in the community will offer special bargain attractions with many of them giving away such things as root beer at Richie's, bud vases at McMahans, cotton candy at Davis Market, cleaning fluid at the Standard Station and free drug samples at Lindley's Owl Drug Store. The Chamber of Commerce will set up its now famous lemonade stand in the Plaza on both days.

Most firms have committed themselves to marking down special merchandise to cost or below cost in order to attract residents from surrounding areas into the business district for those days. If it is successful, the promotion will be continued on a regular monthly schedule, most of the business people state.

Some of the firms taking part in the project are Childrens Bootery, C. P. Appliances, Lemon Grove Patio and Material Co., Ranchers Feed and Supply, Lemon Grove Department Store, Relia's Shoes, Western Auto, Joe's Shoe Service, Patricia's, Evelyn Wigton's, Lowe's Toggery, The Trading Post, Dutch Cleaners, Lemon Grove Variety, Carr's Hardware, Silver Variety Store, Lemon Grove Hardware, Lemon Grove Firestone and Home Supply, McMahans, Lanex, Caudin's Haberdashery, the Style Shop, the Petite Shop, Mode O'Day, Master Cleaners, Lindley's Pharmacy, Michael's, Mason Feed, and a host of others whose names will be listed as they make their values known.

During the two day event local cafes will have special menu attractions. The Grove Theatre will have a special program intended to attract youngsters and their parents and balloons and lollipops will flow like the Mississippi River at flood time to keep the

On Sewers October 6

They'll vote on sewers in Spring Valley Tuesday, October 6.

The Board of Supervisors unanimously voted to hold a special \$1,717,000 bond election at this week's public hearing.

Spring Valley has long been listed by county health authorities as the "number one sewer problem in San Diego county."

Bond issue will be for 37½ miles of trunk and collection lines and a treatment plant.

A simple majority vote is all that is required.

BULLETIN

The Lemon Grove Chamber of Commerce this week rejected a request from the Federated Sanitation to endorse the proposed Spring Valley sewer project.

President of the Federated group, John Abbott had asked the Chamber to send a letter to the County Supervisors endorsing the County proposed sewer plan.

Property owners in the Grove who would be affected have already voiced their disappointment in the Chamber action.

BULLETIN

Dr. Frank Gigliotti was named zone warden for the Lemon Grove area this week by Albert H. Trumbull, Deputy Director of the San Diego County Civil Defense and Disaster Office.

Dr. Gigliotti served with O. S. S. during the war and is an author of the freedoms of the Italian Constitution.

MRS. BELLE WILSON, Sausalito on 102 birthday—"I'm just beginning on my third junior year now. I'm not counting the hundred!"

Nickel plating was developed on a commercial basis about 1870.

Grove Has Holiday Matinee

A Big Holiday Show weekend is in prospect for movie goers at the Grove Theatre.

Ether Williams in a dazzling Technicolor film "Dangerous When Wet" and William Holden in "The Turning Point" will be co-featured starting Sunday.

Continuous showing of these features will be made starting with a matinee at 1 P. M. Labor Day.

Grossmont Community Concert Schedule Listed

Schedule for the Grossmont Community Concert season was announced this week in the series of four concerts of top-notch artists.

The program is—Aldo Parisot, cellist, Dec. 18; Alec Templeton, pianist, Jan. 14; Walter Cassel, baritone, Jan. 14; Buskadi, baroque singer, dancer and instrumentalist, Mar. 15.

The concerts will be given at Grossmont High School at 8:15 p. m. Admission to community concerts is by membership only and admissions to single performance will not be available.

Membership cards will be mailed two weeks prior to the first concert. For reservation call Mrs. Charles Houge, H6-3697.

Polio Show Sales Lagging

Sagging ticket sales threatens the success of the charity musical show "Spot-Lite on Polio." It was reported by Mrs. Nelson Powell, 3844 Harris St.

"Spot-Lites" will be staged Friday, Sept. 4, in the Russ Auditorium and all income goes to the County Foundation for Infantile Paralysis.

The variety show, which will have Robert Young and his "Father Knows Best" cast, Skip Young, protege for Bob Hope, Don Howard, KSDO disc jockey, along with a host of television and radio celebrities is sponsored by the Emerald Club.

While reserved seats can be obtained at the door Friday, tickets are available at the Palmer Box Office and through Mrs. Powell at H9-2991.

New Home For L. G. T. V.

A Lemon Grove T. V. Center also known as Snyder's Lemon Grove Radio Appliances are giving up their happy home on Imperial Avenue for larger and more modern quarters on Broadway, according to Burt and Edna Snyder who operate the firm.

Snyder's will be closed Saturday at their present location in the Grove Theater building and will be open Tuesday, at 7973 Broadway in the former location of Bryan's Paint Company.

District Approves El Cajon Irrigation

El Cajon's application for annexation to the La Mesa, Lemon Grove and Spring Valley Irrigation District was formerly approved this week by the directors of the district.

Voters of both districts must approve and El Cajon must authorize two and a half million dollars for a distribution system between the districts.

Private Financing To Build 100 Bed General Hospital

Additional proof that private capital is still interested in public type projects is indicated by the announcement that a Lemon Grove man is undertaking the building and operation of an eventual hundred-bed general hospital on 55th Street between El Cajon Blvd. and University Avenue.

Ray Snyder, operator and owner of Cresta Loma Sanitarium at 7922 Palm Street in Lemon Grove, and Stella Cary, recent owner and operator of the La Me-

The hospital will be one of the most modern and thoroughly complete hospitals in the area and will boast many features.

Victim Of Notorious War Prison Gets Serafina Part

Cy Daly lived 13 months in "Stalag 17" and has part in "Serafina," together with G. Jerome, Playwright.

A touch of "Stalag 17" will be brought into the Lemon Grove written - and - produced operetta "Serafina," when it opens a two day world premiere at Grossmont High School, Monday and Tuesday, October 5 and 6.

Cy J. Daly, 4815 Circle Drive, a former Air Corps sergeant, spent 13 months in Stalag 17 late in World War II when the B-17 upon which he was a radio operator was shot down over Munster, Germany.

Stalag 17 was at Krems, Austria, he said, and he recalls many of the incidents that have been limned in the Broadway play and now in a movie to be shown in San Diego within the next two weeks.

Shown with Daly is Jerome Gerard, playwright and associate of the Lemon Grove REVIEW.

Tickets will be placed on sale this week by Cerebral Palsy Foundation members.

Daly recently was a guest of the Broadway company of Stalag 17 when it played in Los Angeles.

"I can recall everything shown in the play but it did not seem funny then," he said.

Daly will have the singing role of one of the principals in "Serafina."

The MASON LINE

by Chan Mason

AS AN EXAMPLE of real, fine long range planning and community cooperation, we suggest you take a gander at L. Mesa's new swimming pool. Our Master Planning Committee listening?

OF MORE IMMEDIATE interest to many aroused citizens of this community is the revolting habit of a few characters who throw cans, bottles and refuse from their cars along our streets and yards. It has become so pronounced that several of our good neighbors are planning to report the license numbers of the offenders and the Judge has promised to "heave the book at 'em."

MRS. VERA GRAHAM of 8135 Lincoln Street came up with as good a suggestion as we have heard in some time. Deploing the fact that juvenile misconduct is displayed so prominently in papers and magazines, she suggests the same treatment be given the meritorious efforts of so many of our fine young people. Sounds good. Now, how about some local civic group picking a girl and a boy of the month? With the usual cooperation of the editor in such things, we'll guarantee proper publicity.

HATS OFF DEPT. To the Lions Club for their Benefit Party Oct. 31st at El Morocco for the L. G. School Recreation Fund. To the Irrigation District for tearing up the Broadway and Main intersection — this has slowed traffic to a point where a pedestrian now has a 50-50 chance of making it without being picked off. To the many fine people who are diligently rehearsing for the Cerebral Palsy Benefit Operetta Oct. 5th and 6th. Take time out to read "Karen" by Marie Killheia, a true story by the mother of a C. P. victim. Co-founder of the United Cerebral Palsy Association, Mrs. Killheia's story is one of tremendous faith, courage, humor and ultimate triumph. May we quote a passage from this great story: "The normal child is born with the physical equipment of a high school education. The Cerebral Palsied children are born without it. Just as we have to educate the normal child academically, so we have to educate the cerebral-palsy child physically. There are a few schools throughout the country that teach this special therapy. The minimum cost is \$250.00 monthly and the average waiting list is many years long." There is a Cerebral Palsy child born every 53 minutes.

SPACE PERMITS NO MORE of this for now, but by Golly I catch the Grossmont Auditorium is sold out the nights of Oct. 5th and 6th.

Industrial Site Is Attractive And Well Located

That a warehouse district need pleasing green, not be a community eye-sore has been proven by a Lemon Grove contractor.

While the ten acre industrial area owned by O. L. Carpenter has not been fully developed, the present office area resembles the residence of a high income white collar worker, landscaping and all.

The neat warehouse type building which contains his cabinet shop is an unobtrusive gray which will soon be painted a

spokes, would attract industry and warehousing expanding inland, the developers say.

Carpenter is a well known general contractor, who built Helix High School and Vista La Mesa Elementary Schools. He built the three-quarter million dollar elementary school in El Cajon, and is just finishing the one million dollar Sweetwater School and is in the process of building the half-million dollar elementary school at Camp Pendleton.

James Judging Jitterbug Jump
... All the cool, commercial and
square dance lovers from the
metropolitan of Lemon Grove
and other surrounding communi-
ties, are invited to compete in a
crazy championship jitterbug
contest, tomorrow (Sept. 5) in
the renowned wall-to-wall-floor-
ing building, known as the Ex-
hibit Hall here at the Diego
County Fairgrounds. Harry James
and his Music-Makers, America's
foremost dance orchestra, will
provide the melodies. Appearing
as James' right hand man will
be Buddy Rich, rated No. 1 drum-
mer in the country and girl vo-
calist April Ames will be on
stage, too. Prizes, in American
currency, will be offered for the
1st, 2nd, and 3rd place winners
in the jitterbug event. Let's all
be there on Sat. nite for a real
squeer time.

Last chance ... Now vict. err.
students of high school age re-
siding in Lemon Grove, Spring
Valley, or Vista La Mesa, are re-
minded by yours truly, that Fri-
day is their last chance to regis-
ter at Helix High (State-Reforma-
tory) School. They have only
four more hours than high-noun
to do so. It's a must, where pos-
sible, that each student bring a
transcript of records or grades
from their last school attended.
Helix HI has all kinds of grades
there, the 9th-12th anyway.
Counselors and the administra-
tion people (they can be recog-
nized by their black moustaches
and cloaks) will be available to
help you with scheduling of
classes and to dispatch answers
to your questions concerning
your new school. Good luck!

Hentigan's Hen House ... A
one Miss Janet Hentigan, daugh-
ter of Mr. and Mrs. David Henti-
gan of Monterey Heights, held an
ever-true slumber-party on a
cold and wintry Friday nite on
August 21. Her folks enjoying
themselves on vacation, Janet
decided to enjoy herself and
threw a real wild hen party.
Amongst the sleepy-eyed but
crazy group of gals were Janet,
Gayle Meador, Lora Lemmon,
Mary Brown, Diane Laissey, Ar-
dell Torgersen, Karen Rose, Carol
Peters, Marilyn Myles, Lillian
Good, Carol Bird and Joyce Rap-
pon. Early the next morn Janet
popped her head out her window
and yelled to her neighbor (who
was still trying to count sheep
thru the noise at Jan's abode)
that she hadn't had any sleep all
nite. All her weary-eyed neigh-
bors could mumble was, "neither
could I."

Meeting Dates Set

The executive board of the
Lemon Grove School P. T. A. met
August 25, at 7:00 at the home
of Mrs. John Dail, president. Fol-
lowing a delicious Mexican din-
ner, the group met to consider
problems and plans for the com-
ing school year. Meeting dates
of the unit were set for the first
Thursday of each month, with
the initial meeting on October
1st. Board meetings will be held
on Tuesday of the week preced-
ing the regular meeting.

Mrs. Glazebrook was elected
to the office of historian. Ben
Schel, school principal, an-
nounced that new buildings at
the junior high would be com-
pleted soon, but that the cafe-
teria-auditorium would not be
ready for use until late in the
year.

In discussing the Hallow'en
Carnival, an annual P. T. A.
sponsored community event, the
board recommended that the car-
nival be dispensed with at the
junior high, because of building
construction, and that support be
lent to carnivals sponsored by
other units in the district.

Announcement was made of
the Community Chest project for
the fall. This year Ninth District
has chosen to play an important
role in this collection, along
with other community groups, in
order to insure the success of the
project.

Advertising Is Success Of Small Grocery

There is story in the current issue of the California Newspaper Publishers Association Confidential Bulletin which should be of interest to area grocers.

It tells of a food market in Greensburg, Ind. which boasts sales of \$170,000 with a 30 by 60 foot store area. The town has a population of 6,600 and strong

competition consisting of a local chain, two national chains, and several independent food markets in the immediate vicinity.

The small market credits consistent newspaper advertising as one of the means which helped boost 1952 sales 30 per cent over 1951 and 1951 sales 27 per cent over 1950.

Operator of the store adheres to a basic advertising plan of advertising "something the housewife wants to buy."

He schedules largest ads the first weekend in the month when most homemakers have money. Consistent advertising of right items at the right time has enabled this little store to capture a bigger share of Greensburg's food business each year.

GOOD NEWS FOR HOMEMAKERS
Anne Marshall

Casseroles are among the handiest inventions for cooking, most homemakers agree.

If you have a generous baking dish to hold your favorite food mixture, it's likely to be the most often used utensil in the kitchen. A well-made meal when the main dish is a rich combination such as meat, sauce and noodles. Just serve this with a mixed vegetable or fruit salad; and the menu is well rounded and satisfying. Cuts down on serving dishes too.

Many of the combinations take little work. Especially if you use a condensed cream-style soup as the sauce for mixing the casserole ingredients. The following recipe for a casserole with soup sauce will take in a short time.

Heavenly Salmon 'n' Noodles
1 cup minced onion
1 tablespoon minced green pepper
1 tablespoon butter or margarine
1/2 cup unsalted cooked macaroni, drained (2 to 3 ounces)
1/4 cup buttered bread cubes
1 can (1 1/2 cups) condensed cream of celery soup
1 cup flaked salmon (1 3-ounce can)
1 cup milk
1/2 teaspoon dried pimiento
1/4 teaspoon finely grated lemon rind
Brown onion and green pepper lightly in butter. Combine with remaining ingredients except bread cubes. Pour mixture into lightly greased 1 1/2-quart casserole; sprinkle cubes on top. Bake in moderate oven (375° F.) about 20 minutes or until thoroughly heated. Makes 4 generous servings.

Population In Grove Radius Given

A population of 51,537 in a two and a half mile radius of Lemon Grove center was indicated this week by the office of Registrar of Voters, according to G. A. Rinn, deputy.

The 51,537 person total was as of March 10, 1953, and does not include Lomita Village and other lately completed housing developments which have begun occupancy since that time.

According to the district elementary school officials, the district which is irregular in shape,

Do blemishes spoil your fun? Bid the blues goodbye and rate an "A" with the big wheels on the campus!

Are you a teen-ager with a problem... skin, that is? Then you're on the lookout for help. A problem skin usually is one that is excessively oily and, as a result shows blackheads, conspicuous pores, blemishes, and frequently the more severe stage, pimples of acne. Don't feel helpless... help yourself with meticulous daily care.

A problem skin must be correctly cleansed and properly treated. Medicare, the tax free double-action combination of medicated creamy masque and medicated lotion, is designed to give this service. Both contain hexachlorophene which reduces and inhibits skin bacteria.

"Double cleanse" the skin with the water "soluble" cream. It actually "washes away" excessive oil and grime that so many blackheads, whiteheads and pimples thrive on. Follow with a cold water application to mildly stimulate the skin and to aid in refining the appearance of pores. Then, apply the medicated lotion. Greaseless, it is blended to a natural skin tone to conceal unsightly blemishes as it aids in drying and healing them. Apply with fresh cotton, using the lotion as a spot cover-up or as a covering for an over-all oily face. Equally important for boys and girls!

If the condition is severe, consult a physician. Otherwise, a program that includes correct cleansing and medication routine, plus proper diet, proper elimination, fresh air, and a full quota of sleep should be carried out.

LETTERS TO THE EDITOR

Dear Mr. Goodwin:

I thought you might be interested in the result of a classified ad we ran recently in the REVIEW. We advertised for a full time custodian for the First Congregational Church and not only did we get an experienced custodian but Lemon Grove acquired a new and fine family. Mr. and Mrs. George Munn, here from Iowa to visit their son, Chuck, who is the new owner of Magic Carpet Cleaners.

They wanted to stay here if they could find a job similar to the one we were able to offer. The job was satisfactory to them and Mr. Munn was satisfactory to the church and as a result all concerned are happy. Congratulations, too, on this week's paper. It is a hundred per cent local and interesting all the way through.

Keep up the good work. We love it.

Sincerely,
Beatrice Garber

Woman's Club Has Plan For Growth

Mrs. David Hentigan, recently elected President of the Lemon Grove Woman's Club will open the 1953-54 season at a meeting September 11, preceded by a pot-luck luncheon at 12:30.

"The Big Change" by Frederick Lewis Allen, Editor-in-Chief of Harper's Magazine, will be reviewed by Mrs. H. J. Warner.

Hostesses, of which Mrs. Frank O. Barber is Chairman, are Mrs. Laurence E. Leech, Ray McGraw, Elizabeth McFeeley and Elizabeth Parsons.

Mrs. Hentigan is enthusiastic in her endeavor for growth and progress of the club during the coming year.

All members are extended an invitation to the four sections: the Arts and Crafts, which meets every Thursday from 9 to 12 a. m. in the Clubhouse and whose chairman is Mrs. Edward Johnson; the Book Section of which Mrs. H. Irving Verner is Program Chairman and Mrs. Fred Johnson, Hostess, will meet September 18; the Garden Section, meetings to be held the first Tuesdays, having Mrs. A. F. Schnell as President; the Vogue (Evening Section) now being organized, has chosen Mrs. Alvin Bergquist as Chairman and suggests that those interested call Mrs. W. C. Hubbard at Homeland 6-6921.

Mrs. E. A. Ross, whose informative, monthly club bulletin has just been issued, will welcome suggestions for a name before the next publication, September 28. She may be reached at Homeland 6-0623.

Local Dancer To Have Part For Jitterbug Prize

DEL MAR — Lemon Grove has had its share of champions and there's strong possibility it will add still another triumph to its impressive string this Saturday night when its top artists of modern dance will compete in a county-wide, championship jitterbug contest here in the Exhibition Hall at the San Diego County Fairgrounds.

Harry James and his Music Makers, America's foremost dance band will be on the bandstand to provide the music beginning at 9 p. m. James personally will conduct the contest. Cash prizes will be awarded to 1st, 2nd and 3rd place winners. No advance registration is necessary to participate.

Return From Arizona Trip

Mr. and Mrs. J. Morris Mulkey and Mrs. John Blaine returned from Arizona this past week where they had taken fifteen young people to visit the Baptist Indian Center at Flagstaff, the Navajo Indian Reservation, and Grand Canyon. The young people on the trip were: Johnny and Lora Kay Blaine, Billy Jack Bynum, Sandra Hummel, Charlene Hudkins, Marvin Hudkins, Darlene Huntley, Linda Jackson, Johnny Mulkey, Sue Mulkey, Jimmy Muse, Wayne Pinterich, Kenneth Roberts, Jerry Waddle, and Jimmy Waddle.

PUBLIC NOTICES

Resolution of Intention to Dedicate to the County of San Diego an Easement of Right of Way over and across real property belonging to the Lemon Grove School District.

Read Surveys 436 and 1360. On Motion of Member Griffin, seconded by Member Armstrong, the following resolution is adopted:

WHEREAS, the Lemon Grove School District has submitted an application to the County Planning Commission for a special permit to construct a utility building on a portion of the lands of said District in Lemon Grove; and

WHEREAS, the Planning Commission has recommended said permit be granted subject to certain conditions and the dedication by said District of a portion of said lands for the widening of Lincoln Street and the extension of Kempf Street; and

WHEREAS, in order to accomplish the widening and extending of said streets, the County of San Diego has requested this Board to dedicate to said County for public street and highway purposes, an easement of right of way across certain real property belonging to this District and hereinafter described; and

WHEREAS, in the judgment of this Board, it is necessary and expedient that said request be granted; NOW, THEREFORE,

BE IT RESOLVED by the Governing Board of the Lemon Grove School District of San Diego County, California, that this Board hereby declares its intention to dedicate to the County of San Diego an easement of right of way for public street and highway purposes over and across all that real property situated in the County of San Diego, State of California, belonging to said District and more particularly described as follows:

That portion of Lot 9 in Subdivision No. 2 in Lot 12, Partition of Rancho Mission, San Diego, according to Map thereof No. 686, filed in the Office of the Recorder of San Diego County, conveyed to Lemon Grove School District by deed recorded in Book 4730, page 567 of Official Records of said County, described as follows:

Beginning at the Northwest corner of said land so conveyed by said deed; thence 8.0' 06" 15" E. along the west line of said land, 356.40 feet to a point, said point being the point of beginning of a curve concave Northwest to the center of which bears N 40° 29' 30" W, 113.63 feet from said point; thence North along said curve, through a central angle of 49° 36' 45" a distance of 98.39 feet to its point of tangency with a line that is parallel with and distant 40 feet at right angles Easterly from said West line of the land conveyed to said School District; thence N 0° 06' 15" W. along said parallel line, 166.98 feet to the beginning of a tangent curve to the right having a radius of 130 feet; thence North along said curve, through a central angle of 17° 10' 30" a distance of 39.97 feet to the beginning of a reverse curve to the left having a radius of 170 feet; thence North along said reverse curve, through a central angle of 17° 10' 30" a distance of 50.96 feet to a point on a line that is parallel with and distant 15 feet at right angles Southerly from the North line of said Lot 9; thence N 88° 40' 45" E. along said parallel line, a distance of 136.62 feet to a point on the East line of said land conveyed to the School District; thence N 0° 06' 15" W. along said East line, 15 feet to the North line of said Lot 9; thence S 88° 40' 45" W. along said North line 190 feet to the point of beginning.

BE IT FURTHER RESOLVED, that a public meeting be held by this Board at its regular place of meeting, the Administrative Office of said District, 3202 Acacia Street, Lemon Grove, in San Diego County, California, on Sept. 14, 1953, at 7:30 P. M., at which time and place, all persons interested may appear and show cause, if any they have why said dedication should not be made.

BE IT FURTHER RESOLVED, that notice of the adoption of this Resolution and of the time and place of holding said meeting shall be given by posting copies of said resolution signed by the members of this Board, or by a 2/3 majority thereof, in three (3) public places in said District not less than ten (10) days before the date of said meeting and by publishing this resolution once not less than five (5) days before the date of meeting in Lemon Grove Review, a newspaper of general circulation published in said County, and having a general circulation in said District.

PASSED AND ADOPTED by the Governing Board of the Lemon Grove School District of San Diego County, California, this 10th day of August, 1953.

HOSPITAL FUNDS

This area with oxygen outlets in every room in addition to this phones will be in each room. Working facilities will include X-ray and a complete laboratory and obstetrics ward. The hospital, which is 80 per cent completed, is situated on an 11 acre hilltop site. Planned building will accommodate the capacity of the hospital itself and visitors. "Adequate kitchen is definitely one of the needs of today's hospitals," Snyder said. "There will be enough kitchen area to handle all visits in addition to the medical staff and patients."

With the visitors' comfort as well as the patients in view, dining facilities and a visitor's lounge will be in operation when the hospital opens on the 40 bed basis early next year.

The building will be on one lot but another building will use the nurses' quarters and

the doctors' lounge. This will adjoin the main hospital building. Both Snyder and Mrs. Cary pointed out financing, such as this would lighten the tax payers' load. Villa View occupies the former location of the Rest Haven Preventorium which was operated for children until recently. Mrs. Cary will be superintendent of nurses at Villa View while Snyder will be the administrator.

Lemon Grove Lemons

Continued from page 1

had an idea: Why not give Saturday shoppers a pleasant reminder of where they were? So it decided to set up a stand at the town's main intersection and give free lemonade to all comers. Then the blow fell: The committee couldn't find any lemons growing in Lemon Grove. And after checking the price of lemons grown elsewhere in southern California and "finding they were as expensive here as in Cleveland or New York," the committee decided not to use fresh lemons at all.

So when the booth opened last Saturday, Lemon Grove shoppers drank artificial lemonade, made with a concentrate that's manufactured in New Jersey.

Lemon Grove used to have lemon groves—6,000 acres of 'em. But it's only 10 mi. from the center of San Diego-right next to the expanding city limits. Early in the century it had only a few hundred inhabitants. By 1938 it had grown to 4,000 persons, by 1949 to 8,000. Today the population is estimated at 17,500.

The lemon groves have all been pulled down to make way for new housing. "BUSINESS WEEK is distributed nationally. Practically every important firm in the United States subscribes to it. While BUSINESS WEEK has little respect for Lemon Grove's lemon growing propensities, it did do a service to the community by advertising Lemon Grove across the face of the nation."

Grovans On L.A. T.V.

A Lemon Grove entertainer and his three and a half year old son will be in a contest to win Southern California fame when John Clancy Craig, 2009 Englewood Drive, appears on Channel 9 in Los Angeles at 7:30 p. m., Tuesday, September 8.

Craig is being sponsored by Lindley's Owl Drug Store in Lemon Grove and will do a Shillalah Irish number.

Craig appeared for awhile on Smokey Rogers show over a local channel. He is long time Lemon Grove resident, having attended Lemon Grove Elementary School and Grossmont High. He served in the Air Force and was assigned as an entertainer in the Special Services Section of the Air Transport Command in India.

The September 8 program winners will be based on popularity vote and winners will then have a chance to climb the television ladder of fame. Vote cards may be obtained at Lindleys. Besides his son, Thomas, there is Charlene, age 9 and his wife, Charlotte.

SCHOOL STARTS

Continued from Page 1

coming year.

Snack Shop Open Again

The Lemon Grove School District lunch rooms will again be made available to the students of the district. Since the cafeteria building at the Junior High School will not be completed for the opening of school the students of Golden Avenue and the sixth graders housed at the Junior High School will be using the Community Center Building. The Snack Shop will be open to the seventh and eighth grades. Children attending double sessions are welcomed and encouraged to stay over or come early to have their lunch at school where ever it can be worked out with the bus schedules.

Registrations Start Monday

Registration in the Lemon Grove School District will be held in each school during the week of September 7 thru the 11th. Offices will be open daily from 8:00 A. M. until 4:00 P. M. School starts officially on Monday, September 14.

Kindergarten children must have been 4 years and 9 months of age or older on September 1 of this year. First graders who have never been in school previously must have been 5 years and 9 months as of September 1. Proof of birthdate is required.

All of the teaching vacancies have been filled. There will be 21 new teachers on the staff, plus 62 former teachers, for a total of 83 teachers. The number of teachers at each school will be San Miguel 10; Golden Avenue 15; Vista La Mesa 16; Monterey Heights 20; Intermediate School 18; and 4 teachers assigned to the district at large (2 music teachers, speech and a special reading home tutor.) The administrative staff will remain the same; Mrs. Evelyn Lauritzen, Principal Golden Avenue School; Mr. W. Arthur Thomas, Principal, Monterey Heights; Mr. Robert E. Sutton, Principal, San Miguel School; Mr. Clarence H. Allen, Principal, Vista La Mesa; and Mr. I. Schei, Principal, Lemon Grove Intermediate.

New classes which have been established in the Lemon Grove District include speech, shop for boys and homemaking for girls. Special reading classes and a class for the mentally retarded will be continued from last year.

Teacher's Workshop Starts
The teachers' annual pre-school workshop will be held from Tuesday, September 11, through Friday, September 13. Included in the workshop will be a speaker from the County Schools of Fee, a trip to the Service Center, and a luncheon served by the Kiwanians for new teachers.

Grade 1 through 3 will be on double session. This includes 31 classes, or about 1025 children exclusive of morning and afternoon kindergartens. It is expected that there will be nearly 2600 children enrolled in the 5 schools.

Class schedules will be listed in next week's paper. Persons wishing to know bus schedules are asked to call their respective schools.

A list of the children in each class will be posted in the front of all school offices beginning next Monday.

Mrs. Morse

Back From Eastern Visit

Mrs. Randolph Morse, 8354 Golden Avenue, has returned from an extended visit to the east.

She left Lemon Grove July 3 to teach swimming in the Girls' Camp Brewster, Massachusetts.

While at Quogue, L. I., the recent hurricane following the eastern seaboard struck in the vicinity. The community in which she was staying was in constant contact with the Coast Guard in the area until the hurricane had past. During her trip she visited with her brother, Rowland Potter, whom she had not seen since before the First World War.

Another brother, a pilot, was killed during World War I. He is listed in the book of 100 Naval Heroes.

The first destroyer launched in World War II was named after this brother, Steven.

Mrs. Morse will maintain her interest in crippled children projects in the Lemon Grove area.

Adventist To Hear Elders

Members of the Seventh-day Adventist Church will hear several speakers this week at the denomination's Regional Meetings. Meetings will be held in the First Presbyterian Church, 4th and Date Streets, San Diego. Elder Heppenstall will speak Thursday evening and Elder C. L. Bauer will deliver the message on Friday evening. Elder J. L. Schuler will speak both Saturday and Sunday.

Elder C. L. Bauer is president of Pacific Union College.

Mrs. Hubbard Is Hostess

Mrs. W. C. Hubbard, 7143 Central Ave., will be hostess to the San Miguel P. T. A. board members, Sept. 3 at 8 p. m. Mrs. H. T. Espe, president, will preside. This is the first meeting of the board this year and all 27 are expected to attend.

Wa-Di-Ta-Ka Girls

Say Goodbye To Audine

A farewell party and handkerchief shower was given by the Wa-di-ta-ka Camp Fire group on Thursday for Audine Steiding who is leaving with her family for Washington D. C. where her father will be stationed after he returns from Japan. The party was given at the home of their guardian, Mrs. Juanita B. Close, 7529 Central Ave., and the girls who attended were: Judy Bates, Karen Markuson, Karen Wrede, Sandra Biby, Carol McGuire, Creita Bell Eaton, Lynn Tristram, Anita Brook and Sharon Sanders.

Small Extras Can Make Kitchen More Efficient

Countless products now on the market will help the homemaker get more efficient use from her kitchen. The small items below were listed by Home Modernizing magazine as among the most helpful.

Sliding racks are available for cups, glasses, pots and pans; they increase accessibility.

Screw and bolt holder can be used as spice rack. Jars unscrew from caps fixed to revolving axis.

Mixer shelf swings down into the cabinet when the mixer is not in use.

Built-in rack for kitchen towels gets them out of sight. Door provides ventilation.

POLIO PRECAUTIONS

Gammas Globulin—obtained from human blood—gives protection for a few weeks. However, it is in VERY SHORT SUPPLY.

A vaccine is not ready for 1953. But there is hope for the future.

Meanwhile—when polio is around—follow these PRECAUTIONS.

BUT DO keep clean

RECOMMENDED BY THE NATIONAL FOUNDATION FOR INFANTILE PARALYSIS

It is indicated that a saliva test can determine the sex of an unborn child, according to Dr. Gustav Rapp of Loyola University.

The mother's saliva usually reveals the sex of the child in the sixth or seventh month of pregnancy.

A high fat and low starch diet has brought "significant improvement" to rheumatoid arthritis patients.

ACTH and cortisone are more effective when given to patients on such a diet, according to scientists at the Highland Alameda County Hospital.

Toast to the Bride

Every bride wants her reception to be an occasion that not only she and the groom remember through the years, but one that makes a lasting impression on the guests.

Wedding Ring Punch, with its flower bedecked floating ice ring, is a delicious combination of juices made fizzy with ginger ale. This good-tasting punch is a favorite for receptions, and other occasions, because there is no mess or fuss in preparing it.

With a tiered cake at one end of the table, the pretty punch bowl at the other, party sandwiches, nuts and mints, your reception is sure to be long remembered.

Wedding Ring Punch

3 46-oz. cans orange-grapefruit juice
3 46-oz. cans pineapple juice
Thoroughly chill juices and ginger ale. Empty one can of each juice and one quart of ginger ale in punch bowl. Put ice ring in punch and arrange flowers on it. Serve. When supply runs low repeat the process adding another unit of each ingredient. Makes approximately 3 gallons.

Reception Sandwich Suggestions:

Party Sandwiches—Put cheese mixtures on tiny triangles of bread, chicken mixture on strips of bread or on crackers and decorate with bits of pimiento, green pepper, or sliced ripe olives. A small ready-cooked canned ham will fill dozens of tiny biscuits.
Tuna Rolls—Mix flaked tuna, the oil from the tuna, finely chopped onion and hard-cooked egg, vinegar and mayonnaise. Spread on fresh thinly sliced bread and roll. Chill. Garnish with sprigs of watercress, or parsley, in the ends of each sandwich.

Handle With Care

Have you a baby in your home? What a joy... and what a problem too! Of course, your particular problem is those diapers! There they are, and they've got to be done, because your chief aim is the baby's comfort. To make it easier for you, and to get the best results, here are a few rules to follow.

Scheduling is a must in caring for baby, and the diaper duty is right in, if you plan it as a daily chore. You'll find this best. Soak diapers should be immediately dunked in the toilet bowl, holding them by one corner. Then, into a special soaking solution they go, in a 2-gallon enamel pail with a cover. Fill it half full of cold water and 2 tablespoons borax.

To wash them, use HOT water—the hotter the better. After wringing out the soaking solution, wash them in a good, sudsy water and add half cup of head-bluing, and a good water conditioner, if necessary. Putting the detergent-base head-bluing right in the washing water is much better than the old fashioned way of putting it in the rinse water. There's no chance of over-bluing, and every bit of the soap and detergent is rinsed away. You'll find your washing machine your best friend for laundering baby's things. You need run the machine only 5 minutes. These instructions are followed. After rinsing, shake them well and dry, then smooth and fold. Now iron. They'll be softer and more comfortable, and why work when you don't have to.

Dwarf Dahlias Will Help Spruce L. G. Gardens

As the warm weather reaches
its peak, there is often need for
sprucing up a bare corner of the
garden to replace worn out
spring plantings or vacation neg-
lected areas. Many plants will
come to mind as ideal for hot
weather planting. The California
Bedding Plant Advisory Board
suggests one of the top favorites
in this group, the dwarf dahlia,
which is available at this time
of the year as fully developed
plants in flats at most Lemon
Grove nurseries.

Quick color and abundant cov-
erage are two good features of
this type of dahlia plus its "take
hold" ability even in a full state
of development. Such willingness
to grow makes it possible to

plant dwarf seedling dahlias in
full bloom and have them give
immediate color that will con-
tinue on until a killing frost

takes them down.

Dwarf dahlias take full sun and
prefer a loose well-drained soil
for best results. With a full color
range excepting the blue shades,
they are best planted in mass
beds with solid color borders of
dwarf marigolds, dwarf celosia,
dwarf petunias, or dwarf ager-
atum. These plants available in
bloom also exhibit fine "take
hold" qualities and share the
cultural requirements of the
dwarf dahlias.

The growth of the dwarf dah-
lias is tidy enough to make them
ideal for use in narrow beds of
18" or more in width or for plant-
ing against a house or wall. In
such cramped quarters a border
planting should not be used as
the dahlias will crowd out the
lower growing border plants.

Dwarf dahlias do well in pots
and can be used as an inexpen-
sive indoor blooming house plant
for periods up to two weeks.
Similarly they are useful for pat-
io planters or other conditions
in Lemon Grove where soil vol-
ume is limited and cultivation is
at a minimum.

Kitchens Become Outdated Sooner Than Other Rooms

Kitchens become outdated
quicker than any other rooms, ac-
cording to Home Modernizing
magazine, because the equipment
which is a major part of their
design is constantly being im-
proved. And new appliances en-
gineered to ease the housekeeping
routine continue to appear on the
market.

Kitchen modernizing starts with
deciding whether a kitchen is to
be simply a food laboratory or the
heart of the household—a place to
live, work and play. Whether the
kitchen is to be only an efficient
food laboratory or a multi-pur-
pose area, there are certain ac-
cepted standards of design that
will save the housewife work and
make meal preparation simple.

To simplify work, the meal
preparation area should be
divided into four centers—mix,
sink, range and serve. Food items
used first at any one of these
points should be stored at the
particular center where they are
used.

In addition to storage space,
the centers should provide suffi-
cient counter space for the vari-
ous phases of meal preparation.
Mix Center—Storage space
for foods and utensils used in
combining foods for cooking, chill-
ing or freezing is provided at this
center, which includes the re-
frigerator and a freezer if de-
sired.

The mix center should have at
least 15 inches of counter at the

opening side of the refrigerator
and a total of 36 inches of counter
space throughout the center. It
should have 2 1/2 feet of wall cab-
inets and three feet of base cab-
inets. Standard refrigerators re-
quire about 36 inches of wall
space.

Sink Center—The sink and dis-
washer, if there is one, are part
of this center, along with stored
foods that require washing, soak-
ing or the addition of water; dish-
washing and cleaning supplies;
and utensils such as knives and
saucepans.

At least 36 inches of counter
space should be provided at the
right of the sink bowl and 30
inches at the left. Sink center
should have 15 inches of wall cab-
inets, 6 1/2 feet of base cabinets.

Range Center—This center in-
cludes the range and provides
storage space for foods which
are ready to be cooked without
previous preparation, skillets,
saucepans, lids and stirring tools.

Two feet of heat-proofed coun-
ter space should be provided be-
side the range. Range center
should have 2 1/2 feet of wall cab-
inets, 1 1/2 feet of base cabinets.

Serve Center—This center, near
the range, stores foods which are
ready to serve without any prepa-
ration (breakfast cereals, bread,
crackers, etc.), small electrical
appliances, silver, table linens
and trays. Base cabinet require-
ment is 13 1/2 feet.

replacing Wayne Johnston.

Johnston is returning to school
following the sale of his feed
business on Broadway near
Massachusetts.

The club accepted his resigna-
tion with regrets at Thursday's
meeting.

All other officers remain the
same.

3-WAY DESSERT

Not only summertime fare, soft
drinks can be the basis for many
glamorous desserts such as this
Southern Fluff. Simple enough for
a beginner to master, it can be
used three ways: as a sherbet,
pudding, or pie. After preparation,
it can be stored in the refrigerator
without loss of flavor or appear-
ance.

SOUTHERN FLUFF
2 bottles Dr. Pepper
1 envelope unflavored gelatin
1 (1 lb.) lemon
2 egg whites
1/4 tsp. salt
4 tbsp. sugar
Four one bottle Dr. Pepper in
saucepan, add gelatin, let stand
few minutes to soften. Heat, stir-
ring until gelatin dissolves, only
letting liquid get warm. Remove
from heat, add second Dr. Pepper
and lemon juice, chill until thick-
ened. Beat egg whites with salt
added until fluffy. Slowly add sugar,
beating until whites are very stiff.
Blend in gelatin mixture, and mix
well. Fill into sherbet glasses, top
with whipped cream. Serves four.

For variety, pile Southern Fluff
in dessert dishes, and cover with
chilled vanilla custard, as shown
above. Or try graham cracker crust
pie, filled with Southern Fluff, and
wreathed with whipped cream.

Ten Percent In County Without Sewers

About ten per cent of the population in San Diego County is not served by sewers, according to a report released last week by the San Diego County Planning Department.

The estimate shows that 54,500 persons are not in any sewer district. It also shows that 15,500 are in sanitation districts.

Served by sewers are 9 cities with a total of 504,500 population or 72 per cent, 14 districts with a population of 31,550 or 4 per cent and 11 shore base military installations with a population of 100,000 or 14 per cent. These sewer-served persons total 635,850 or 90 per cent of the entire population. Not considered in the estimate is ship-based military personnel.

The total county population is 705,900 and the total population not in a sewer district or in a sanitation district but not served by sewers totals 70,050 or 10 per cent.

Older Couple Can Retain Comfort and Dignity In New Retirement Home

Older couples whose children have grown up and departed can have a small, efficient home without sacrificing the comfort and dignity so rightfully theirs.

The problems faced by those couples are treated by the current Small Homes Guide in an article entitled "Is Your Nest Empty?" The older couple has an advantage over others when it comes to decorating and furnishing a new home, because their tastes have crystallized.

The secret of successfully decorating a new home lies in choosing the proper background and blending some of the couple's present furniture and possessions into that background.

Older couples should treat the walls, floors and ceilings of their new home as a stage set, choosing colors carefully in order to dramatize the treasured possessions they have collected.

Even though it would take a magician to cram 10 rooms of furniture into a two-bedroom house, they certainly shouldn't discard everything they now own. They can keep many of their favorite pieces and build their new room schemes around them.

Everyone knows, for example, that a man often has a peculiar attachment for his favorite chair. No matter how attractive a new chair may be, he won't want to part with the old one. However, he won't raise much fuss over

having the old one reupholstered to blend in with a new scheme.

A quick tour through the couple's present home will reveal kinds of interesting facts about them. Perhaps they collect glass or china; maybe the husband is an enthusiastic trout fisherman; duck hunter; they may have enriched their life together through travel and have collected mementos of those trips; or they may be fond of books, photograph paintings or ceramics.

The new house should reflect those interests in its decorative scheme.

Mr. and Mrs. James O'Kane, Ann Arbor, Mich., were described in the article as proof that a retired couple can achieve a satisfactory background for living in a small, new home.

The home is decorated in colors and patterns they like. The floors of wallpaper, paint, drapes, carpeting and furniture fabrics are green, plum, yellow and gray. In patterns, they choose small, symmetrical designs with fine detail and Oriental influence.

Because their personal tastes were followed carefully, O'Kane's home complements the personalities. It illustrates how the comfort, dignity and character associated with a mature couple can be achieved in a retirement home.

Activities. All freshmen are strongly urged to attend.

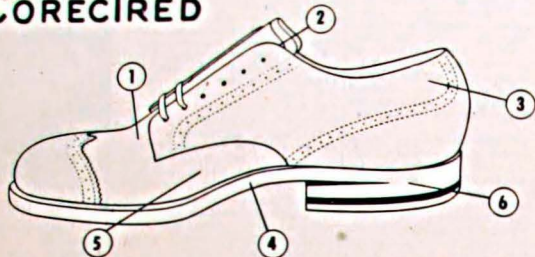

Following is the Freshman I bus schedule:

Spring Valley, American Homes, Brookside—8 to 8:35 a. m.

San Miguel, Monterey Heights, Washington Street—8 to 8:25 a. m.

Only one office is in California and that is in San Francisco.

TOO YOUNG TO DIE

When epidemic strikes and takes its sudden and deadly count of the young, it tears at our heartstrings for there is so little we can do about it. Such tragedies may occur once in a year or two. But the highway toll of young innocents produces a casualty list every day, year after year. There is much we can do about it, for we are responsible.

In one year 4,300 young lives are snuffed out, over 200,000 injured and maimed for life. Three out of every four of these lives sacrificed to carelessness are from 5 to 14 years of age. Too young to die!

School safety patrols are holding down the casualties of children going to or coming from school. Two out of three are killed while outside of school supervision. That's the big reason why it's up to you, Mr. and Mrs. Driver, to protect little children. Be alert for the unpredictable actions of youngsters at play, crossing streets, chasing balls and riding bikes.

Little ones are thoughtless of danger; perhaps, too, they trust grown folks to guard them. Don't be the one to carry on your conscience the life of a child. Slow down, be alert where children may be at your mercy.

SLOW DOWN—LIVES ARE IN YOUR HANDS!
